Community Council News

MR. PAT STAPLES, PRESIDENT

This has been a busy 2010 for Camp Washington Community Council. You are finally reading a newsletter because the Council just received approval of its 2010 Neighborhood Support Program proposal. The City of Cincinnati has brought the NSP back in-house, against the wishes of several community councils in the city, severing the contract with Invest in Neighborhoods. The \$5,000 NSP grant is vital to our operations. We have been funded for landscaping/garden projects, Mutt Mitts, membership recruitment, insurance, and promotions (meeting signs, t-shirts and newsletter).

It's summertime, so I remind you to report any crime matters to 765-1212. Also, please attend our regular community council meetings, second Monday at 7:30 p.m. at the Camp Washington Rec Center, 1201 Stock.

Trees Added to Streetscape

JOE GORMAN, CWBA EXECUTIVE DIRECTOR

We have nearly completed the first phase of the neighborhood business district streetscaping. New sidewalks, curbs, parking meters, and trees have been installed along Colerain, south of Hopple to Rachel. We are seeking tree grates and/or pavers, and, low-growth ivy to complete the tree wells. The community board, through the Cincinnati Neighborhood Business District United, is submitting another City grant to complete the Colerain streetscaping from Stock to Township.

Trees add to the attractive ambiance of the business district.

Community Board Completes Two Houses

PAUL RUDEMILLER, EXECUTIVE DIRECTOR

The Community Board has been in business saving and rehabbing homes since 1975. We finally got enough funds to complete the rehab at 3061 Sidney (at Stock). This beautiful brick 3-story home has been sold. Also, the house next door at 3059 Sidney is nearing completion and is listed on the sales market. Call me at 542-1637 if you are thinking of buying a house.

Free Trees Thru City Re-Leaf program

JOE GORMAN, COMMUNITY ORGANIZER

The City of Cincinnati Urban Forestry Department has a bunch of crazy, determined staff who simply love growing new trees and expanding the City green canopy. They are offering a choice of seven varieties of free trees for homeowners. The tree must be planted in the front yard and must be visible from the street. Contact Fall RELEAF at 861-9162.

Edna Boyle Earns GED

STEPHANIE CROW, INSTRUCTOR

Edna Boyle is the best example yet of a student who never quit. "Edna is the reason we have our little school," said Joe Gorman, school director. "She is a long-time Camp resident who has worked hard to improve her life. Way to go, Edna!"

We have installed air conditioning for the students in the classroom. We think it is important for our students to work in a small, safe and clean facility.

If you or your friend need a GED, the Camp Washington Community School conducts regular classes Tuesday and Thursday, 5-8 pm. at 2951 Sidney Ave. (at Rachel). Call Stephanie at 542-2389 to enroll in our free classes.
